

# 9 Collection

## VINYL

Introducing our remarkable SPC vinyl 9 collection. This contemporary assortment is designed for both residential and commercial settings, boasting a robust 0.55mm wear layer for long-lasting durability. Each plank in this collection features an extra thick design, complemented by a 2 mm XPE under pad, ensuring superior performance in every installation. With a wide range of colors to choose from, our Vinyl 9 collection is constructed using safe and high-quality materials, making it ideal for light commercial use and basements.
